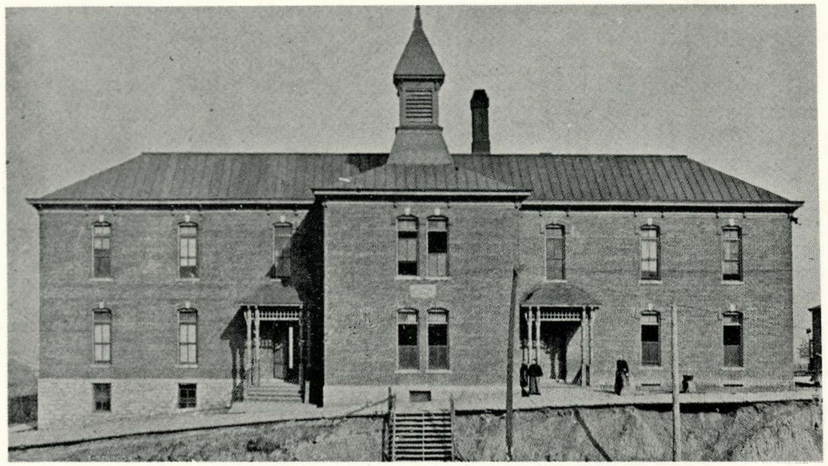
The Progressing Wyandotte High School

By Karen Snyder



Riverview School Building

The History of Wyandotte High School

"One morning about the first of November, 1886, thirty boys and girls started with lunch buckets in hand, to that institution of equal opportunity, the free High School. The boys wore dark, tight-fitting suits, light shirts, and large ties or bows. The girls were clad in fresh tight-waisted, high-necked dresses flowing to the toes of their shoes."

That year Wyandotte High School got its start in two of the eight rooms of the Riverview Grade School building at South Seventh Street and Pacific Avenue.

The students were rugged pioneers in those days since getting to school was a real problem. Clay seemed to be the main obstacle as most of the streets were clay. It was necessary to put on a pair of boots and an extra pair of stockings, for the streets to the high school were newly graded and there were no sidewalks.

The school was fortunate in having as its head, Professor, John Wherrel. His appointment was a wise choice for he was an excellent teacher and had many advanced ideas on normal training.

School began at eight o'clock with the morning exercises, reading a verse from the Bible, saying the Lord's Prayer, and singing a few church songs. When noon came, everyone took out their lunches and began eating, getting drinking water from a hydrant on the side of the schoolhouse. At about one o'clock, school was dismissed for the day and the students went directly home, for there were no extracurricular activities.

The students were classified in a little different way then. The first year students were called sub-juniors. The second year pupils were classified as juniors, third year were called middleyear and the last year, seniors.

The four courses offered by the High School were the English Course of four years; the Latin and Scientific Course of four years, designed to prepare the student to enter any of the colleges or universities; the Normal Courses of three years to prepare young ladies to teach in the grade schools of the city; and the Commercial Course of two years which prepared students for accounting and business.

When graduation time came, only one girl had met the requirements for graduation but the demand for teachers was so great that ten other girls were allowed to be graduated also. These eleven girls had the distinction of being the first graduating class from the High School. The graduates in their white dresses each took her turn standing amid a beautiful array of flowers, delivering her oration to the audience at Dunnings Opera house.

Extracurricular activities began to flourish in the fall of 1887. The first extracurricular activity to be initiated in the school was a debating society. Also, a school paper was introduced. It was limited in circulation to one copy, and all the material in it was written in long hand. The paper was read aloud during an assembly and was issued about once a month. That year also marked the beginning of football teams. The boys chose sides and played a sort of Rugby game.

As graduation rolled around, the problem of there being a shortage of boys, became more apparent. It seems that there were only 2 senior boys in the class; therefore, juniors had to fill in and furnish enough escorts and buggies for the girls. This graduation was also distinguished by the use of bustles. (Gee girls just think how uncomfortable those were.)

Because of the protest in the fall of 1888 against the clay streets near the Riverview building, the Board of Education decided to move the High School into the Palmer Academy, on Minnesota Avenue between Sixth and Seventh Streets. Two hundred forty-six occupied this ten room building, seventy-six boys and one hundred seventy-two girls. Only two students in the entire enrollment of 246 were seniors.

In 1889-90, Principal Wherrel felt a longing for the medical career for which he had been preparing, so he resigned the principalship of the High School at the end of the year to take up the practice of medicine.

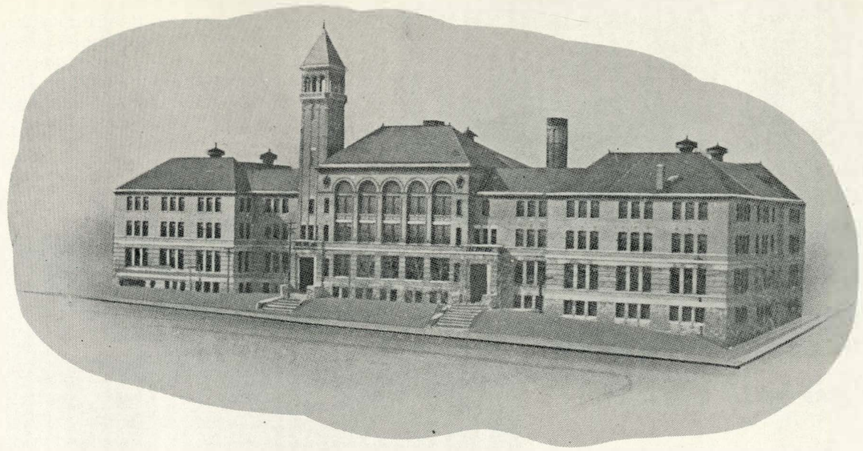
In 1890-91 only three courses were offered, English, Latin and Scientific, and Classical. The latter part of this year, a library was organized and about 300 books were given by the Wyandotte Library Association.

In 1891, a Literary Club was formed. The meetings were held at the homes of its members. The chief game played was tiddlywinks. This society also edited a small paper of their own.

As graduation rolled around that year, 13 more students became alumni on May 29, 1891. But before the girls went home, they were required to kiss the boys good-bye, most of them did, but some refused. (Let's make that a requirement this year.)

A state law was passed in 1892 that required all children between the age of eight and fourteen to attend school at least twelve weeks each year. (Quite a difference from the time we go now.)

In 1895 a Latin Club was organized for purely social reasons. Some activities of the club were exercising with dumbbells and Indian clubs.



Wyandotte High School,9th and Minnesota

Dedicated May 19, 1898

In the fall of '96, when the K.C.K. High School football team played against one of the Missouri High Schools, many unusual things were heard around the school. Examples of these are: "Kei, Kei, Kei; Zip, Zap, Za; Hurrah, hurrah; K.C.K." and "Oh! me, oh, my. How we black that tiger's eye."

Members of the team mentioned above were clad in short khaki breeches, vests, heavy socks, and shoes. These ten boys were the ancestors of the Crimson and White Bulldogs striving to hold up the banner of the school in the sports world of the gay nineties.

In 1897 the high school published its first magazine, "The High School Record." It was an eight page paper issued on the last Friday of each month. The material in the magazine was almost entirely contributions from the student body.

In 1898 a new Wyandotte H. S. was dedicated. May 19, 1898 marked the great event of laying the cornerstone of the new High School building at the corner of Ninth Street and Minnesota Avenue.

October 22, 1899, 16 teachers, 175 boys, and 360 girls became the first class in the new building. The school was organized with the school periods each 15 minutes long for the first day. Each of the ninety-two classes met in regular session, class rolls were taken, lessons assigned and by 12 o'clock school was dismissed for the first day of school.

The second day, classes were lengthened to 45 minutes, each student having 6 periods. The students were all very proud to attend this so-called hundred thousand dollar high school. (It really cost $90,000)

Baseball Team

Class Play

Interest in the modern sport of football was developed in 1900. The team showed great prospects of romping all over the opposing teams, for their average weight was at least 150 pounds. This year also marked a change in The High School Record. From an 8 page paper, it grew into fifteen pages of reading matter. It was issued the last Friday of every month for 10¢ a copy or 25¢ a year.

Class yells of the class of 1900:

"Rah, Ray, Ree
Bim-a-lang-a-lee,
We're the last class
Of the 19th centur--ee"

"We are many
We are lots
We're the class of noughty nought."

The 1901 class motto was "Row---Not Drift."

The year 1902 marked the beginning of sports, the games of baseball and football were being played by the boys, but they had no improved field, so the gridiron was anywhere the gang could get together. In the year 1902 the baseball team won the first baseball trophy for the collection the school now has.

With a desire to put a climax in the story of the year of 1903, Henry Simpson, president of the senior class, was kidnapped by a mob of students on the eve of graduation, and did not get to graduate with the class. Immediately the junior class was suspected and to get revenge the senior vice president refused to present the class mantle to the class of 1904.

The first foods laboratory was established in 1907 and the school was so crowded that the sewing class was held on the stage for two or three years.

The gym was very poorly equipped. It had only one shower for almost 200 girls and it couldn't always be counted upon.

In the year 1908, a young men's Glee Club was formed by 18 boys and they sang for the commencement exercises and other entertainments.

The year 1911 marked the beginning of The Girls' Athletic Association. The ladies were required to wear long black stockings, full and baggy bloomers which came below their knees and dark full middies with sleeves to the elbow and a collar and tie around the neck. Their heads were also well-groomed with long tresses of hair wound around their heads and held in place by from one to three enormous bow ribbons.

In 1911, K.C.K. High School was the winner in baseball by defeating all of their opponents.

The Symphony Club was also organized that year. The club gave programs each month and the choruses under the leadership of Professor Kendrick showed talent and interest among the members.

Never in the history of the school had the dramatics work been so original as it was in 1911-12. "Comedia" was given by the Classical Club, and "Julius Caesar" was given by the advanced dramatics classes.

Track began to be popular in the year 1913-14 when the first track team was organized.

In 1914 the school grew so large that a newspaper was needed to keep the students informed of the happenings of the school. The High School News, a small newspaper of four pages 10"x8", was published for the first time on February 6, 1914, and was continued to the end of the year by students of the fourth and fifth hour senior composition classes under Miss Leila Douthart. The material consisted of the doings and happenings of the students and the school such as this:

"The purpose of the cafeteria is to provide a good lunch at the lowest possible cost. Ten cents was the usual cost. All vegetables, such as beans, corn, of tomatoes and also soup sold for three cents, all meats for five, all desserts five, olives three for one cent, pickles one cent, cake, two; cocoa with whipped cream, coffee, or milk, three; oranges, three; apples, two; grapefruit and ice cream, five cents each."

Class rivalry was very strong during this year also.

The first K.C.K. High School Pantograph was published January 21, 1920. It was a six-page paper carrying stories of all events of the school and also the alumni.

The K.C.K. High School had long felt the need of a school song which would express the ideals of the school. At the opening of the school year of 1920, Principal Rice urged that some student respond to this need. Miss Ethel Vaughn, of the faculty, answered this request by writing the "Crimson and White," which was set to the music of an old Italian barcarole.

The school had been criticized for not showing recognition to, or stimulating interest in scholarship. An Honor Society was organized in the fall of 1920 for the purpose of showing that K.C.K. High School was as proud of its scholars as it was of its athletes, debaters, and its musicians.

The all-Kansas High School music contest which was held in Emporia, Kansas on April 14 and 15, 1921, was the biggest in the history of the contest. Leopold Shopmaker was awarded first in the violin contest, the Mixed Chorus took second place, the Boys' Glee Club was awarded third place and the Orchestra came home with a ranking of seventh in the orchestras of the state.

In 1921 the students held a night shirt parade. The pep created by the assembly Friday morning resulted in a thousand or more students taking part in the parade and a snake dance. Traffic was held up for an hour on Minnesota Avenue. The snake dancers marched into the Pure Food Show, then under way and captured the $100 prize for the largest school attendance at the show. The prize money was given to the band to help pay for uniforms.

In 1922 after a very hard struggle, the Crimson and White basketball team won the National Championship. The newly acclaimed national basketball champions tucked the shining basketball trophy away in their suitcases and started for home, "Big Shots" now.

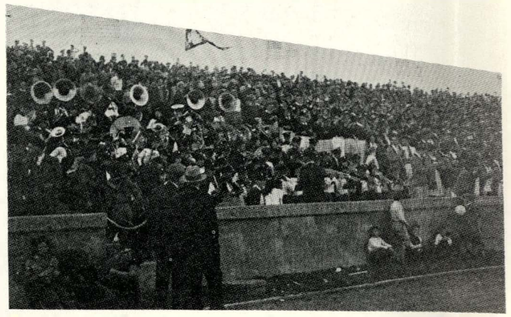
Also, in 1922, the Quiverian was declared the winner of the National Contest, sponsored by the Interscholastic Press Association, and open to all high schools in the United States.

Since athletic competition played such a large part in the school activities, the necessity of a boosters' club was realized. In 1926-27, the Kay Cees booster club was organized to meet this need. In its first year of existance about 80 of the best students in the school were admitted. This organization purchased red and white striped sweaters and red caps and tams as their outfits and began to give their faithful and loyal support to the athletic activities of the school.

In 1926-27, the debate department entered the National Forensic League, an organization whose purpose is to promote interest in inter-scholastic debate, oratory, and public speaking.

One of the biggest events of the year, 1929, was the dedication of the new Wyandotte High School stadium on Oct. 26, 1929. The stadium was presented to the school by Senator John E. Carlson, president of the Board of Education. That same year, plans were already under way for a new building at 25th and Minnesota, which was to be completed in 1935.

In 1930 there were 2000 students attending Wyandotte at 9th and Minnesota and it was necessary to put up 3 portable classrooms to hold the overflow. Also in 1930 new lights were installed in the stadium.

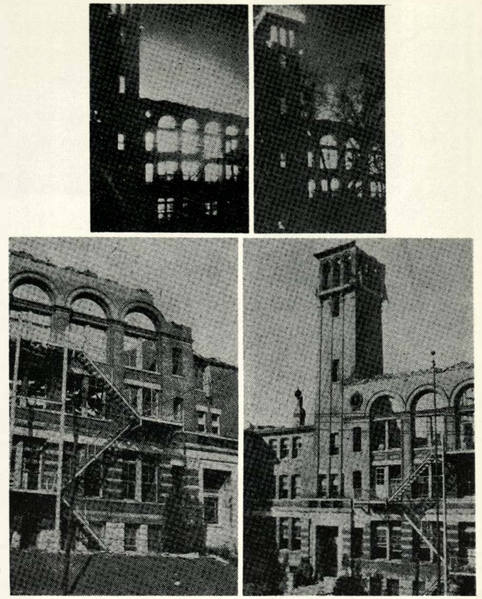


Stadium Dedication

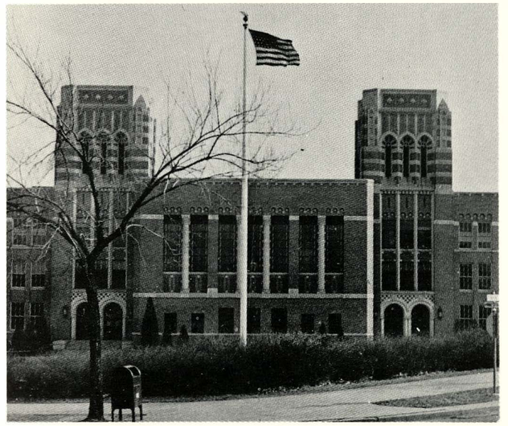
A dramatic and tragic climax to a perfectly wonderful year came at 6:30 on the night of March 3, 1934. The basketball team was playing at Topeka and many students had followed the team to cheer it on to victory. Little did they know that when they returned, their school would be gone. The scourge of bright red flames engulfed the building at Ninth and Minnesota, never allowing Wyandotte to stand there again. Practically nothing remained of the center section, containing the auditorium, library, Pantograph room, typing rooms, and some class-rooms. A week's holiday was declared until further plans could be carried out. A new multi-million dollar building was to be built in a few years, but due to the emergency, the construction was to begin as soon as possible. The cause of the fire was traced to a burning wastebasket.

High school sessions were now to take place at Central and Northwest Junior High Schools. Principal Wellemeyer had as their watchword for the year, "Recovery." And through the disappointments and tribulations, Wyandotte did recover!

As 1934 was remembered for its tragic happenings, so 1937 is remembered for the birth of the new building at its present site, 25th and Minnesota. This is an ironic situation, March 3, 1934, marking the date that the building at 9th and Minnesota burned to the ground, and March 4, 1937, three years later, the completion of the new Wyandotte.



Wyandotte-March 3, 1934

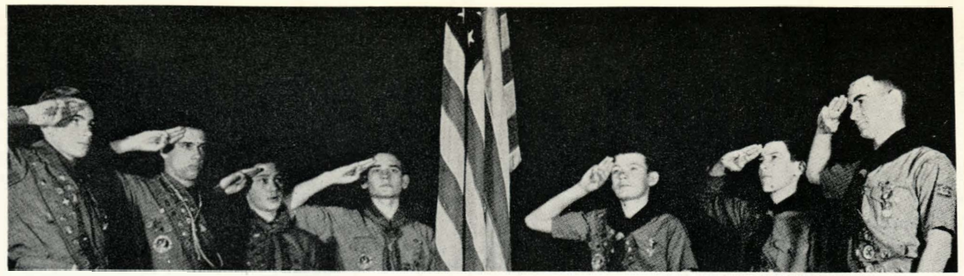


New Towers of Wyandotte

The new structure cost approximately $2 1/2 million. The building and campus cover an area of 22 acres, and it is one of the largest schools in the Middle West. Taking almost 2 years in construction, the new school can accomodate 3,000 students and a faculty of 90. There are 85 classrooms. The twin cafeterias can easily hold a large number of students. The gym seats 1,900 while the auditorium, one of the best in the U.S., seats 1,800. Our library contains 18,000 volumes.

Wyandotte's exterior gives it a beautiful appearance, with its stately twin towers beaming in the deep Kansas sky. The landscaping is one of thoughtful planning, thus giving us one of the most beautiful high school campuses to be found anywhere. It is a building of steamlined useful-ness, not merely of beauty.

The building was and is huge, but its meaning and friendliness will never make it too big to not be loved. Only one thing is lacking, a name-plate. There is one fact to be noted--no where on the exterior of the school is there any form of identification. It may be because of its own distinction and individuality that a name is not necessary to distinguish it from anything else. The fact remains, but maybe someday this situation will be remedied.



When 2800 students entered Wyandotte in the fall of, 1937, they were interested in many different things, so to meet these various interests, the school launched an unprecedented club organization program. Twenty-five clubs were organized in November and thrived in membership and interest. Most of the new clubs were not unusual, but the Girls' League was unique in one respect--it was for all the girls of the school and each girl automatically became a member when she entered Wyandotte. The purpose was to organize all girls without restrictions--to help each girl with her own personal problems--and to her develop personality.

The year 1939-40 is remembered because ten boys are reported to have signed up for Home Economics, due to the fact that it was Leap Year.

Since the attention and energy of the entire nation had been focused upon the war effort in 1942, Wyandotte harnessed its 25 hundred citizens into an all-out participation in defense work projects. Every department discovered some duty to do; every pupil, teacher, or worker found some way to contribute his drop to the ocean of activity. Every student was required to have instruction in a standard Red Cross course, an additional year of physical education was required for senior boys, both senior boys and girls began taking vocational courses which would aid in the war effort, defense stamps were sold, and Wyandotte had its first air-raid drills, and the Pantograph published a list of tentative air-raid instructions. Four Eagle Scouts opened every assembly by leading the audience in the flag salute. These patriotic services were a constant reminder to every person present of his heritage of liberty.

As the clouds drifted through the warladen skies, a sad cloud hovered over Wyandotte as it lost its seniors through graduation and some of its boys through the war. This was a year of struggle and sacrifice, but with the glory that is Wyandotte's, she trudged onward never letting anything hinder her.

Nineteen forty-four marked a definite musical year. Musical honors and awards were won by every group in the musical department, under the direction of Mr. G. Lewis Doll. This year also marked the first time in thirty-three years of existence, that the Quiverian was edited by an all girl staff. Mr. Lawrence Tharp, sponsor, advised, encouraged, coaxed, and at times threatened the staff members.

1945 was a year which meant new peace to the peoples of the world. Though the end of the war meant happiness for many, it also meant tragic news for the friends and loved ones of those who died fighting for their country. A Gold Star Honor Roll was made up for those boys who graduated or left the halls of Wyandotte to protect the walls of their country. They fought, and many of them lost their lives doing so.

A new year and a great turning point in Wyandotte's long established history came when the administration was turned over to a new principal, Mr. Ralph C. Johnson. Mr. Johnson was one of the newcomers to Wyandotte's halls in 1947, when he replaced Mr. J. F. Wellemeyer, who after 23 years, resigned as Principal of Wyandotte, to devote his time to being Dean of Junior College. Mr. Johnson came to Wyandotte after holding the principalship at Central Junior for 11 years.

1947 also marked the first time pep assemblies were held in the stadium and the auditorium. Y-Teens became the name of the Girl Reserves in 1947. The Girl Reserves were renamed because many thought the name was too military-sounding. The "Y" stands for the Y.W.C.A. and the "Teen" for the age group of the members. It didn't specify that it was a girls' organization and it was therefore open to membership for boys.

In 1950, Wyandotte's basketball team was selected to illustrate the rules of basketball for the next season in a moving picture. Pictures of the Bulldogs in action were later seen by movie-goers throughout the United States.

In that same year, the highlight of the Girls' league activities was a slumber party held in the girls' gym for 125 girls.

In 1958, a new football score board, made by electricity students, under the direction of Mr. Bill Aldridge and sponsored by the class of 1932, was dedicated at the Wyandotte-Argentine game. This same year, 22 members of the senior class were awarded college scholarships for athletic and scholastic achievement.

In 1959, the Wyandotte Pantograph received a first place rating in the 35th Annual Columbia Scholastic Association Contest. In addition, four Panto members received awards in the William Allen White School of Journalism and Public Information Contest.

In 1959, three senior girls, Sharon Scoville and the Crane twins, Charlene and Darlene, were finalists in the Miss Kansas City, Kansas Contest. Darlene was chosen first runner-up in the final judging.

After serving the students, faculty, and patrons of Wyandotte High School for 32 years; Vice-Principal, J. Clyde Hume, retired at the close of the 1959 school term. Named to succeed him was Mr. William J. McIntire, boys' guidance counselor. Mr. David Kendall assumed the work of boys' guidance counselor.

Wyandotte has for the last seventy-five years stood for achievement in education, in leadership, and in sportsmanship. With the knowledge that the traditions, the high standards, and the love which students hold for Wyandotte High School will continue forever, we dedicate this the 1961 Quiverian to our school--Wyandotte.

Cafeteria

BACK ROW: Left to Right, Selma Tinker, Ellen Kent, Opal Gentry, Dorothy Schweitzer, Florence Shrewsbury, Bernice McDaniel. SECOND ROW: Freda White, Virginia Hightower, Lois Holst, Grace Groves, Rose Palmisano, Fern Anderson. Fern Jenkins, Sybil Redmond, Norma Wood. FRONT ROW: Mary Farris, Nora Adams, Caroline Florin, Judith Belknap, Lena Brown, Emma Amsrud, Margeuritte Hill.

The ladies who work in the Wyandotte Cafeteria perform an important service for the students and teachers here. These ladies, under the able direction of Mrs. Norma Wood, prepare food that not only tastes good, but also is nutritionally balanced. A cheery smile or a friendly "hello" can always be heard as students walk through the line. Without the services that these women perform, Wyandotte would not exist as we know it today.

Another service that is performed at Wyandotte is the work done by the men and women who keep our building clean and warm. This crew is lead in its fine work by Mr. John Jones. We appreciate the care and pride that they show in keeping the halls of Wyandotte looking their best.

FRONT ROW: Janet Benson, Karen Rhodefer, Betty Ball, Lee Ann Brown, Sharon Moore, Patty Jackson, Nancy Painter, Miss Barnett, Janice Ackors, Nancy Mullinix.

The largest social organization at Wyandotte is the Girls' League which is made up of every girl who is enrolled here. Among the many activities that Girls' League sponsors throughout the year are orientation for new sophomores; an assembly to introduce the girls to the many clubs at Wyandotte; and the Sacknic, a picnic held at Loose Park. Perhaps the highlight of the year is the Girls' League Christmas Formal. In the spring, the annual Mother - Daughter Banquet is held for the mothers of Junior and Senior girls.

This year the officers are Lee Ann Brown, president; Sharon Moore, vice-president; Patty Jackson, secretary; and Nancy Painter, treasurer. It is an extremely high honor to be a member of the Student Council of Wyandotte High School. The members of this active service group are elected by their homerooms to serve as representatives. There is one representative from each homeroom. The members are in charge of collecting money for various projects and they sell tickets to mixers.

This year the council sponsored a program to raise money to send to the Life-line Mission. Members of the council serve as guides for the visiting businessmen and women who come to Wyandotte for Know Your Job Day. The Student Council sponsors mixers for the student body throughout the year.

Junior Class Officers

by Joyce Baird

This year the junior class has taken active interest in the activities around Wyandotte. They elected Tom Jones, president; Dick Kiel, vice-president; Judy Gill, secretary; and Karen McFadden, treasurer; Mr. Wools is their sponsor. The outstanding activities for the year were their class party and the passing of the robe assembly, where juniors accept the responsibilities of being seniors. This year the juniors are starting a new tradition by getting their class rings in May.

The juniors are looking ahead to the time that they will be seniors--class of '62.

LEFT TO RIGHT: Mr. Wools, Karen McFadden, Tom Jones, Judy Gill, Dick Kiel.

Sophomore Class Officers

by Joyce Baird

LEFT TO RIGHT: John Swaim, Jimmie Lee Slatton, Dan Collins, Gayle Wright, Mr. Goode.

In September, 1960, the sophomores entered the halls of Wyandotte. Many entered for the first time. Wyandotte was new to them and offered them a great challenge. The sophomores faced their challenge and were soon "old hands" enjoying games, assemblies, their class party, and even their homework. Their class officers are Dan Collins, president; John Swaim, vice-president; Gayle Wright, secretary; and Jimmie Lee Slatton, treasurer. Mr. John Goode is their sponsor. Now as this first year at Wyandotte comes to a close, the sophomores can look back on an eventful year and look forward to the coming two years.

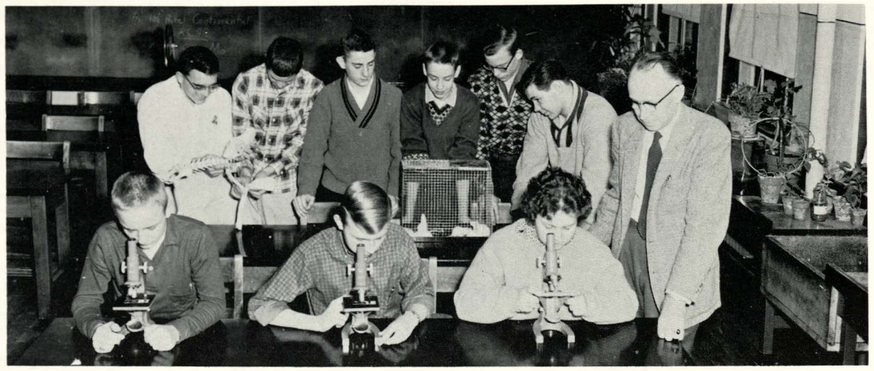
Biology Club

by Carol Crumrine



BACK ROW: Left to Right, Jack Balsinger, Sam Parker, Alfred Hunsley, Phillip Porter, John Simms, Bob Miller, Mr. Stubblefield. FRONT ROW: Roger Bellas, Kenneth Reeves, Jan Stott.

Members of the Biology Club, sponsored by Mr. K. I. Stubblefield, do microscopic work, take field trips, and trips to such places as the Kansas City Museum and the University of Kansas City, and are kept informed on current biological developments. The club is of particular interest to those who have special interests in plants and animals and whose planned future vocations deal with such things. It offers good practice and training which would be especially helpful in the medical profession. The club officers are: Sam Parker, president; Jan Stott, vice-president; Jackie Balsinger, secretary-treasurer.

Physics Club

The Kay Cee Play "The Unguided Miss"

by Kay Jarvis

This year for the Kay Cee Play "The Unguided Miss" was chosen. This is a story of the happenings in a delightful American household when a foreign exchange student arrives. This addition brings amusing and extreme results which keep the play lively.

Everything seems to go wrong for Susan, the oldest daughter, including losing her boyfriend to the new Italian girl, and being hauled into juvenile court for driving a stolen car without a license.

While no message was hammered out at the audience there was still an underlying lesson amid the excitement and fun.

The play was under the skillful direction of Mr. William Knapp.

Sometimes Mr. Knapp gets a little carried away.

Senior Play "Time Out For Ginger"

by Kay Jarvis

The play presented by the senior class of '61 was a lively comedy directed by Mr. Knapp. "Time Out for Ginger" tells of the exploits of a 14 year old girl who wants to be a football player. Amid her family's protests she makes the team and becomes a celebrity. Though she has gained gridiron glory she finds she has lost the respect of her family and her friends.

It is a warm and touching story of a young teenager learning to be a full time girl.

Drama Club Play

"Gidget"

by Kay Jarvis

This year's Drama Club presentation, under the direction of Mr. William Knapp, was a popular musical, "Gidget."

It is the light-hearted story of a young girl who wants to be older than she is. She spends a happy summer with a group of Beach-bums at Malibou Bay, California. They teach her to be a Surfer but they also teach her a lot more: the importance of being one's own age.

Gidget grew up during that wonderful summer and the audience enjoyed her exciting experiences along with her.

Debate

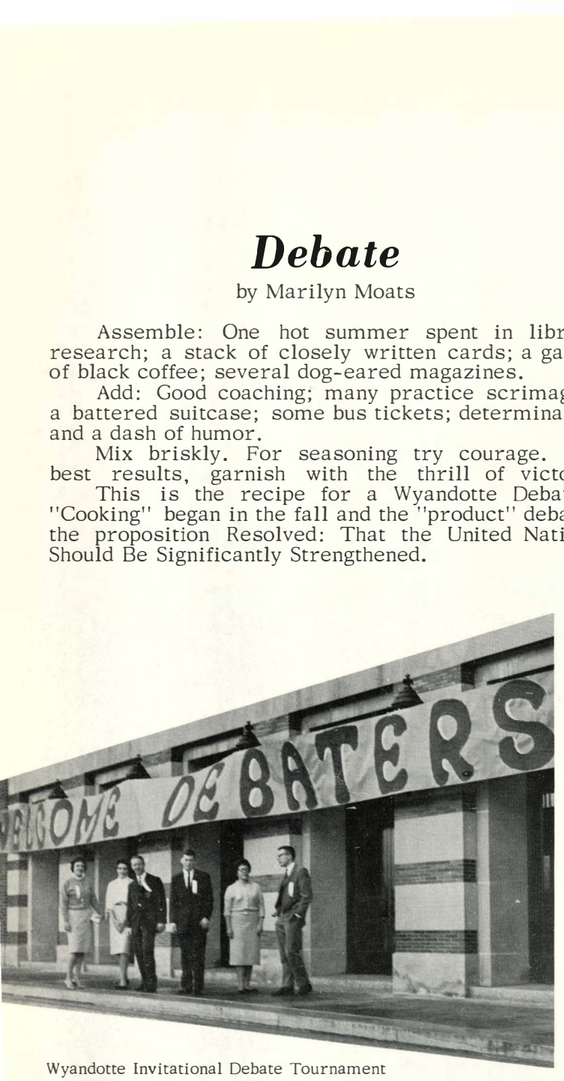
by Marilyn Moats

Assemble: One hot summer spent in library research; a stack of closely written cards; a gallon of black coffee; several dog-eared magazines.

Add: Good coaching; many practice scrimages; a battered suitcase; some bus tickets; determination and a dash of humor.

Mix briskly. For seasoning try courage. For best results, garnish with the thrill of victory.

This is the recipe for a Wyandotte Debater. "Cooking" began in the fall and the "product" debated the proposition Resolved: That the United Nations Should Be Significantly Strengthened.



Wyandotte Invitational Debate Tournament

DISTRICT DEBATERS: Philip Miller, Bate Hamilton, Richard Tremaine, Murphy Phillips, Mr. Jensen.

Debate season formally opened on October 21, when Coach Leonard Jensen and his crew traveled to Fort Scott. There Phil Miller and Bate Hamilton compiled a 6-0 record. The next weekend Shawnee Mission East hosted a tourney which "W" talkdogs, David Van Hooser, Marilyn Moats, Michele Gamble, Ron Schmidt, Hampy McDowell and Ernie Yarnevich attended. Wyandotte returned the compliment by directing a novice tourney here on November 5. Patty Ashton, Bob Van Cleave, Rick Pickard and George Groneman copped the first place trophy with an 11-1 record. Roy Sapp, Harry Peel, Darrel Morgan and Pat Dietzman also participated. Quote cards and legal pads rustled as debaters headed for Wichita, Valley Center and William Chrisman Novice November 11-12. The Topeka tourney was the highlight of the November contests, however. The Topeka Debate Department presented Coach Jensen with an engraved mahogany plaque commemorating his 25 years of continued attendance at that school's tourney.

December found debaters hard at work in Pittsburg, (where Richard Tremaine and Murphy Phillips went to the semi-finals), Salina, and William Chrisman pleading, promising, and persuading as Judy Hewett and Jim Tharp took 3rd at Salina. Christmas vacation over, Rosedale (novice), Lawrence (Linda Fulghum and Warren Watson placed 3rd), and Emporia drew the "W" talkniks on January 6-7. The Wyandotte Invitational Tournament, next on the calendar, was held January 13-14. Judy Hewett and Jim Tharp placed 3rd in the N.F.L. contest that same weekend.

The District meet, which determines the school to go on to the State meet, occupied the weekend of January 20-21, climaxing the 1960-61 season. Phil Miller, Bate Hamilton, Murphy Phillips and Richard Tremaine, representing Wyandotte, placed 4th. Coach Leonard Jensen's smaller-than-usual squad compiled a fine record winning 87% of their debates.

BACK ROW: Left to Right, Richard Pickard, Warren Watson, Jim Tharp, Harry Peal, Duane Sapp, Darrel Morgan, Bob Van Cleave, Mr. Jensen. SECOND ROW: Michael Edwards, Hampton McDowell, George Groneman, Michele Gamble, Patricia Dietzman, Marilyn Moats, David Van Hooser, Doug Haynes. Quiverian Staff

by Joyce Baird

When we were told that this 1961, Senior class would be the 75th class to graduate from Wyandotte, we were thrilled to think that we, the Quiverian staff, would get to make an anniversary book. With an enthusiastic spirit, we welcomed filling this larger book with pictures to help you always remember the wonderful experiences we have shared here. This year's eight staff members have worked together to make this 75th Anniversary Quiverian one that we hope the entire community, as well as all Wyandotte students, will be proud of.

Vocal Music

by Paula Nelson

We, at Wyandotte, consider ourselves very fortunate to have such an outstanding Vocal Music Department. This fine department consists of the A Cappella Choir, one Boys' Glee Club, three Girls' Glee Clubs, and the newly formed seventh-Hour Chorus. The Vocal Music Department, together with the Instrumental Department and the Drama Department, presented the annual Christmas program. They also performed for various community affairs, for civic service clubs, at church meetings and functions, and for P.T.A. activities. This outstanding department also contributed to the success of the Diamond Jubilee Spectacular and the baccalaureate and commencement exercises. This department is under the direction of Miss Marguerite Theis.

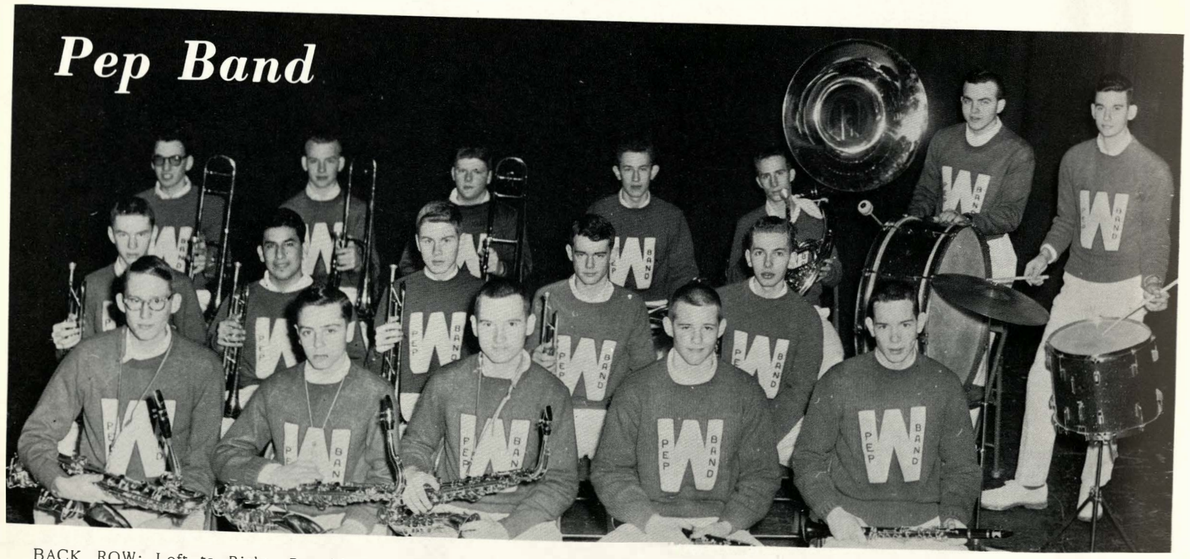
Concert Band

by Paula Nelson

Seventy-five pairs of marching feet, the thunder of drums, the pretty majorettes with the drum major out in front, that is the colorful Wyandotte Marching Band in their bright red and gray uniforms. This excellent musical organization performs at all home football games, at the American Royal Parade, at the Quindaro Parade, and at other outdoor events. The Concert Band is formed after the football season is over. It plays a much larger variety of music. From the Concert Band and the Symphony Orchestra, the Pep Band is formed. The Pep Band plays at all basketball games. This year's group consisted of 17 picked musicians and played a big part in the enthusiasm of home games. Officers of the Concert Band for this year are Richard Taylor, president and student director; Nancy Swengel, vice-president; La Veta Krueger, secretary; Georgadene Basler, treasurer; Bob Reichelt and Jim Laird, sergeants-at-arms; Bob Reichelt, Richard Taylor, Ronnie Masters, and Connie Seymour, managers. The band is under the direction of Mr. R. A. Samuelson.



BACK ROW: Left to Right, Ron Masters, Jim Tharp, Roger Nichols, Russell Webster, Bob Timmerman, Bob Reichelt, Neal Stone. SECOND ROW: Richard Taylor, Henry Romero, Bob Eils, Dan Collins, Jim Holcomb. FRONT ROW: Gary March, Jim Laird, Phil Green, Roy Holtzman, Jim Verrier.

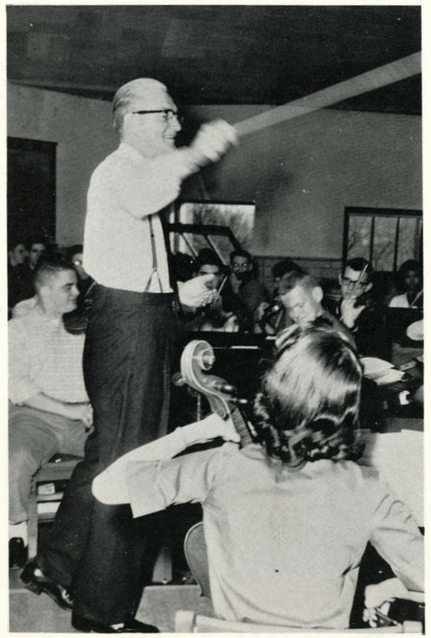
CELLOS: Marilyn Scott, Sally Lytle, Barbara Chance, Maryann Gustafson, Carol Harlan, Janice Greeley, Sharon Milam, Wynne Wilbur, Nancy Butcher, Linda Howard.

Symphony



Among Wyandotte's many outstanding departments is the instrumental department. Wyandotte is very privileged to have such a fine orchestra. Last year's orchestra was chosen "Kansas State High School Orchestra of the Year."

This year's 75th Anniversary orchestra is distinguished by being one of the largest orchestras in the history of the school. There are about 86 members.

For the first time in many years, Wyandotte has co-concert masters. They are David Azwell and Larry Sayler.

The orchestra performs at every school play, the Christmas Assembly, the Operetta or Variety Show, the Spring Concert, the Baccalaureate Service, and the National Honor Society Ceremonial. This year's officers are Larry Sayler, president; Richard Taylor, vice-president; Connie Seymour, secretary; Peggy McDonald, treasurer; and David Azwell and John Baldwin, sergeant-at-arms.

The string ensemble, shown at the right, is organized for the purpose of providing entertainment for various civic functions, as well as performing within the school. The string ensemble traditionally plays "Jesu Bambino" for the Christmas Assembly.

Many factors, as well as plenty of hard work, go into the make up of such a fine organization.

BASSES: Carol Snyder, Nancy Jo Faubion, Larry Joe Powell, Barbara Turner, Rudy Fields, Ivan Tooley. FLUTES: Mike Cox, Peggy Mc Donald, Diane Derge, Martha Larson, Betsy Jensen. Kay Cees

by Kay Jarvis

Wyandotte has, once again this year, had wonderful success in sports. We can all be proud of our teams but we can also take great pride in the Kay Cees. One can find the Kay Cees at any spectator sport, enthusiastically cheering the team on to victory and representing the Wyandotte school spirit for all to be proud of.

The Kay Cees also sponsor the Homecoming Dance, the Spring Formal, mixers, the Kay Cee Play, pep assemblies, the Football-Cross Country Banquet, the Basketball-Swimming Banquet, and the cheering and signs on game days in Social Hall.

Football

by Nancy Mullinix

Beginning the forty-second season with an inexperienced but enthusiastic team, along with some Ellis magic and hard work, the Bulldogs ended up with a successful 6 - 2 record. The team once again captured the mythical city title, tied for the Sunflower League championship, and earned a high rating in the state.

Wyandotte began the grid season by traveling to Chanute, there showing an impressive ground and air game to defeat the Comets by a score of 34 - 6. Wayne Loving, Bob Purnell, Larry Loun, Larry Flynn, and Tom Taylor played heads-up ball. The Bulldogs scored first with 3:10 remaining in the first quarter and led at the half 28 to 0. The final score came when Loving passed to Don Lightfoot who went 63 yards for the touchdown.

With an opening victory under their belts, the Bulldogs met the invading Wildcats in their opening Sunflower game. The Bulldogs showed their superiority early as they dominated the game. Our defensive team was terrific as they held the Wildcats to practically no yardage. The Bulldogs scored in every quarter and recovered six Washington fumbles. With little over four minutes remaining in the first quarter, Loving took a pass from Don Leever for 10 yards and Wyandotte's first touchdown. Benny Porras was the standout on defense and Loving, Purnell, Leever, and Steve Renko picked up the Bulldog yardage.

COACH ED ELLIS

After a week's rest, the Bulldogs met the visiting S.M. Indians. The first three quarters were deadlocked as both defenses held tight. The only touchdown came in the fourth quarter when Purnell caught a pass from Flynn for thirty-six yards. Leever was injured in the second quarter and Flynn finished the season as quarterback. Leever did not play again during the season because of the knee injury. Because of the low scoring game, the standouts were on defense. Byron Loudon, Warren Burnau, and Vaughn Jones played excellent games.

With three wins under their belts, the Bulldogs traveled to North Kansas City for their only encounter with a Missouri team. The Bulldogs drew first blood, when Flynn tossed a 34 yard pass to Loving, who stepped into the end zone with 6:37 remaining in the first quarter. Less than five minutes later, Loving scored again on a 50-yard run for the Bulldog final touchdown. Loun kicked the extra points. The Hornets finally entered the game in the third quarter, by picking up two Bulldog fumbles; scoring on each but missing both extra points. This finished the scoring, and the Bulldogs won their fourth game. Ron Chubb and Burnau shined on the line.

For the fifth game, the Bulldogs traveled to Topeka where they lost their first game of the season and the first Sunflower league game in four years. The Bulldogs and Trojans played even ball until the last quarter when Dave Crandell of the Trojans intercepted a Bulldog pass and scampered for the touchdown. The Bulldogs made a move very late in the fourth quarter but were stymied by an alert Trojan defense. Wyandotte starred defensively with Gary Lockwood, Porras, and Chubb holding down the line. Dave Azwell and Loving did not play in this game because of injuries.

Bouncing back from their first defeat, the Bulldogs defeated the Ward Cyclones in their traditional clash. This rainy game was the Bulldog homecoming and the team played a spirited game. The most exciting quarter seemed to be the third as the Cyclones tied the score at 7 - 7. This tie was short lived as Loving broke away for a 48 yard run to give the Bulldogs the winning touchdown.

After a short week, the Lawrence Lions invaded the Bulldog gridiron. A crowd of 4,800 cheering fans were at the field to see the Bulldogs fall to their second defeat by a score of 13 to 0. The Bulldogs opened the game by recovering a Lion fumble on the 20 but were unable to move the ball. Chubb, Burnau, and Taylor led the Canines on the line, followed in the backfield by Purnell, Renko, Flynn, and Lightfoot. Loving picked up the most yardage.

After the loss to Lawrence, the Bulldogs defeated the East Lancers for the final game of the year. The Bulldogs again scored all their points in the first quarter. Taylor set up the first touchdown by blocking an East punt. The last tally came with Flynn going the last yard. Taylor, Loun, Flynn, Renko, and Porras turned in great defensive work for the winners. Each Canine starting back scored a touchdown. This win insured a tie for the Sunflower Championship.

After finishing a successful season, there are several Bulldogs which deserve special recognition. Taylor was the standout on defensive as he collected a total of 77 tackles and blocked 3 kicks. Also on defensive, Flynn intercepted 4 passes. Loving was one of the offensive standouts: he made 7 catches; 6 touchdowns; the longest run, which was 48 yards against Ward; and, passed to Lightfoot for the longest pass of the season. Bob Purnell finished right behind Wayne in almost every catagory; he made 5 touchdowns; caught 5 passes; he also gained 400 yards to Wayne's 433. Little Don Lightfoot gained 72 yards in 4 kickoff returns. Steve Renko, junior, caught 6 passes; averaged 35 yards per punt; intercepted a S.M.E. pass and ran 48 yards for a touchdown. He also recovered 5 fumbles to tie with Burnau and to be one behind Lockwood who had 6.

At this time the Quiverian would like to make special recognition to Don Leever who was injured in the S.M. North game. Leever the starting quarterback received recognition from the city and we are sure he would have gone far. We wish you the best of luck.

Many of the Bulldog standouts were chosen for various all-star teams. ALL-CITY, first team -- Byron Loudon, Gary Lockwood, Tom Taylor, Ron Chubb, Wayne Loving and Bob Purnell. Second team -- Don Leever and Dave Azwell.

ALL-AREA, first team -- Gary Lockwood, Tom Taylor, and Wayne Loving. Second team -- Byron Loudon and Warren Burnau. Honorable mention -- Bob Purnell, Steve Renko, Don Lightfoot, Don Leever, Larry Flynn, Clark Mandigo, Ron Chubb, Jim Oberg, and Dave Azwell.

ALL SUNFLOWER, First Team -- Tom Taylor, Gary Lockwood, Wayne Loving. Second team -- Ron Chubb, Bob Purnell.

ALL STATE -- Tom Taylor - Guard.

Coach Swaim's Cross-Country runners climaxed a highly successful season with five first places and three second places. This season was the most impressive on record. The Jog-Dogs, by taking second in the state, bettered the mark of last years team which took third. Never falling below second in a meet Wyandotte was only beaten by one team in the state, Haskell.

In the first meet of the season Wyandotte defeated Van Horn 19 to 43, then in a triangular meet with Shawnee Mission North and Washington, Wyandotte won with a score of 15. Lawson was the individual winner for the third time this season with a time of 10:29.5. Bob Poteet followed Lawson with a time of 10:37. Wyandotte took the first six places in the meet.

Wyandotte's Hillclimbers easily won the Sunflower League meet for the second year in a row. Lawson was first with a time of 10:43. Fine showings were also shown by Bob Poteet and Jon Hope.

The Canines were defeated for the first time by Haskell at the Shawnee Mission Invitational. Lawson remaining undefeated turned in a time of 10:40.9 with 91 runners in the race. Haskell won the meet 58 to "Big Reds" 67.

In the sixth meet of the year at Emporia, Wyandotte defeated Wichita East 46 to 72. Close behind was Topeka with 73. John Lawson set a new course record with a timing of 10:05.5.

Wyandotte again placed behind Haskell in the Regional meet with a second place score of 68. John Lawson took first place honors. Of the eight teams competing in the State meet at Emporia, Wyandotte was second with a score of 66. Haskell tallied 55 for first.

Seven boys received varsity letters. Captain Jon Hope, Chiffie Tomlin, Sylvester Lewis, and Jerry Carden will be lost through graduation but Captain-elect John Lawson, Tom Yergovich, and Bob Poteet will be back next year.

Conditional letters were given to Sidney Korn and Larry Saragusa. Reserve letters were given to Bill Gamble, Bill Keen, Bob Mosley, Richard Hathaway, Charles Lenoir, and Mike Windsor.

Hollinger, Eddie Hannah, Mike Butterfield, John Swaim, Bob Shadburn, Ricky Bowler, Warren Elven. FRONT ROW: Lloyd Stogsdill, Rusty Lynn, Tom Russell, Rick Sereres, David Grenrood, Steve Buckles, Tom Davis, Clark Mandigo.

At the beginning of the year the "W" Waterdogs, coached by Del Norris, lost four of their twelve returning lettermen--two divers, a distance freestyler, and a sprint freestyler. Therefore, they had to rebuild their team.

The Bulldogs scored a total of 467 points to 931 for their opponents. 74% of these points were scored by the nine seniors; 15% by the two juniors, and the remaining 11% by the four sophomores. These fifteen boys all lettered, and were the only swimmers used in competitive meets.

The first swim meet of the season was with Shawnee Mission North in the KCAC pool. The lead in scoring changed five times, but the Indians finally handed Wyandotte a 45-50 defeat. In the traditional intra-squad meet the Red Team, headed by Clark Mandigo, defeated the White Team, co-captained by Tom Russell and Rick Sereres, by a score of 45-41. Next, the Lancers of Shawnee Mission East won over the Findogs 57-37. Then in a triangular meet with Wichita Southeast and Wichita East our swimmers placed third. The next four meets were lost to Topeka, Coffeyville, Shawnee Mission North, and Topeka. Then in a comeback Wyandotte won over Emporia 51-44, and Wentworth 48-37.

After placing fourth in the Sunflower League Meet and dropping a decision to Shawnee East 42-52, the Waterdogs won over Emporia 66-29. The last dual meet of the year was lost to Wentworth 34-52. In the Kansas State Swim Meet at Wichita Wyandotte was represented by Rick Sereres in the butterfly, Dave Grenrood in the backstroke, and Dennis Nelson in the diving.

City-League-State Champs
We Took State-Five Years Straight

by Dianne Karnaze

This year our Wyandotte Bulldogs not only "took state five years straight," but also broke a national record by winning these five consecutive state championship titles.

With six returning lettermen this year, the Dribbledogs annexed their first roundball victory of the 1960-61 season, as they downed the Lawrence Lions 49-37. Next the Bulldogs favorably opened Sunflower League play by rolling over the Washington Wildcats, 39-27.

Our first home game of the season was with Wichita East. Wyandotte hit a red-hot 67 percent from the field and defeated the Aces, 52-36. Ron Shanks led the scoring for the Canines with 22 points.

The Shawnee East game proved to be a real battle, but the Bulldogs ended on top. The Lancers had a six point lead in the third quarter, but the Dribbledogs erased the lead, and the fourth quarter saw the game deadlocked at 44-44. The Canine Cagers then gained a three point lead, and nailed down a 55-52 victory.

On Saturday, December 17, the Bulldogs breezed past the Ward Cyclones 62-38 at the National Guard Armory. In the next away game Wyandotte derailed the Railroaders from Newton, 63-46. The Bulldogs led all the way and Ron Shanks poured in 23 points. Topeka fell next before the Canines 51-34, as Ron Shanks again led the scoring with 24 points. Then the Argentine Mustangs were defeated 62-43. The Bulldogs proceeded to scalp the Shawnee North Indians by a score of 59-27, extending their seasonal wins to nine in a row.

The Salina Invitational Tournament proved that a team can't win them all. The Bulldogs advanced to the finals after defeating Parsons, 57-55. In the second overtime, Wayne Loving won the game by hitting a push-shot from the corner. Wichita North won a final berth by defeating Salina 54-46. Then Wichita North won an upset victory over Wyandotte even though Ron Shanks scored 24 points. It was a long cold night for Wyandotte.

Returning home the Bulldogs met and tamed the Washington Wildcats, as they won another home game 65-36. Ron Shanks and Dan Swazick led the Canines in scoring 21 and 16 respectively.

Traveling to Shawnee Mission East for a rematch, the Dribbledogs were again victorious, 63-53. Wayne Loving led the Bulldogs with 22 points and Tom Jones was a defensive standout. Also, for the second time the Canines marched over Troy by defeating Topeka 71-58.

Wyandotte easily racked up the next two games against North Kansas City, 78-38; and Shawnee Mission North, 53-47. Ron Shanks scored 24 points in the first game, and Wayne Loving scored 20 in the latter.

Wyandotte, after a slow start, downed the Argentine Mustangs 65-56 in an inter-conference dual between the Sunflower League and the East Kansas League leaders. Wayne Loving popped in 19 points, and Ron Shanks scored 12 after intermission. By defeating Ward, 61-40, Wyandotte lengthened its home court winning streak to seventy-five, ended the regular season with a fine 17-1 mark, and the City Title.

Our Wyandotte Bulldogs easily defeated the Rosedale Wildcats 56-39 in their first game of the Regional Tournament at Shawnee Mission East. Our Dribbledogs proceeded to play Shawnee Mission East for a berth at the State Tournament. It was a reality when the Canines pulled away from the Lancers in the fourth quarter and defeated East 65-56. Wyandotte was presented the first place Regional Trophy for the nineth consecutive year.

Wyandotte's opening game in the State Tournament proved to be easier than expected, as the Canines defeated the Sumner Spartans 61-45. McPherson was the next victim with the Bulldogs racking up a 72-54 win and securing a place in the State Finals. The awaited night arrived when the Bulldogs met Parsons for the State Championship title. Wyandotte came to life in the last quarter and erased a 49-43 Parson lead. Loving and Swazick tossed in 17 points apiece, and Shanks scored 16. Through the hard work of all concerned, the Wyandotte Bulldogs captured their fifth consecutive state crown 61-56.

Wayne Loving was named the most valuable player of the State Tournament. He along with Ron Shanks were placed on the All-State Team. Tom Jones and Dan Swazick were members of the second team, and Steve Renko received honorable mention. Our congratulations to Coach Shublom and a very deserving Championship Team.

Track State Champions

by Nancy Mullinix

Wyandotte's Cinderdogs blasted through their finest season last year as they won the State Indoor Championship, the State Outdoor Championship, and finished their schedule undefeated. Coach Francis Swaim will have to do some rebuilding this year but has some fine lettermen returning. John Lawson, Bill Selbe, Sid Korn, Sylvester Lewis, Jerry Carden, Charles Hobson, Gary Shrader, Tom Taylor, Ben Porras, Clark Mandigo, Richard Street, Jon Hope, Chiffie Tomlin, Edward Georgie, Leroy Holmes, Randy Patterson, and Dave Coleman all lettered last year. Others who should help the team are Tom Buxton, Bob Poteet, Vaughn Jones, Richard Edwards, Jim Mitchell, Elmer Jackson, Mike Jobe, Tom Yergovich, Larry Saragusa, and Charles Johnson. Helping Coach Swaim with the track and field men are Coaches Charles Sheffield, Don Kyle, Norman Stoppel, Robert Watson, John Hurst, Donald Darnell, and Lester Ramsey.

In winning its second straight Indoor Title, Wyandotte scored 37 1/2 points to second place Salina's 26 1/2. Bill Daughaday won the shot, and Bill Selbe took first in the 440 and second in the 60. Second place finishers were Madden in the mile, Murrill in the pole vault, Gudgel in the 880, and both relay teams. Ed Kriss was fourth in the 440, and Bob Wesley fourth in the broad jump.

The Bulldogs scored 36 1/2 points to win their first State Meet Championship in many years. Wichita East was second with 32 1/7 points. Sophomore John Lawson won the mile with a school record 4:28.4. Bill Daughaday placed second in both the discus and shot, Bill Selbe was second in the 440, fourth in the 220, and fifth in the 100. Bob Wesley placed second in the broad jump, Terry Patterson third in the shot, Bill Murrill tied for third in the vault, Sylvester Lewis was fourth in the 880, Sid Korn fourth in the low hurdles, and Dave Kerr fifth in the javelin. The mile relay team of Jeff Wilson, Charles Hobson, Ed Kriss, and Sid Korn ran fourth.

New school records were set during the 1960 season by John Lawson at 4:28.4 in the mile run, Bill Daughaday at 159-8 1/2 in the discus, Sid Korn as 20. in the low hurdles, and Bill Murrill at 12-8 1/4 in the pole vault.

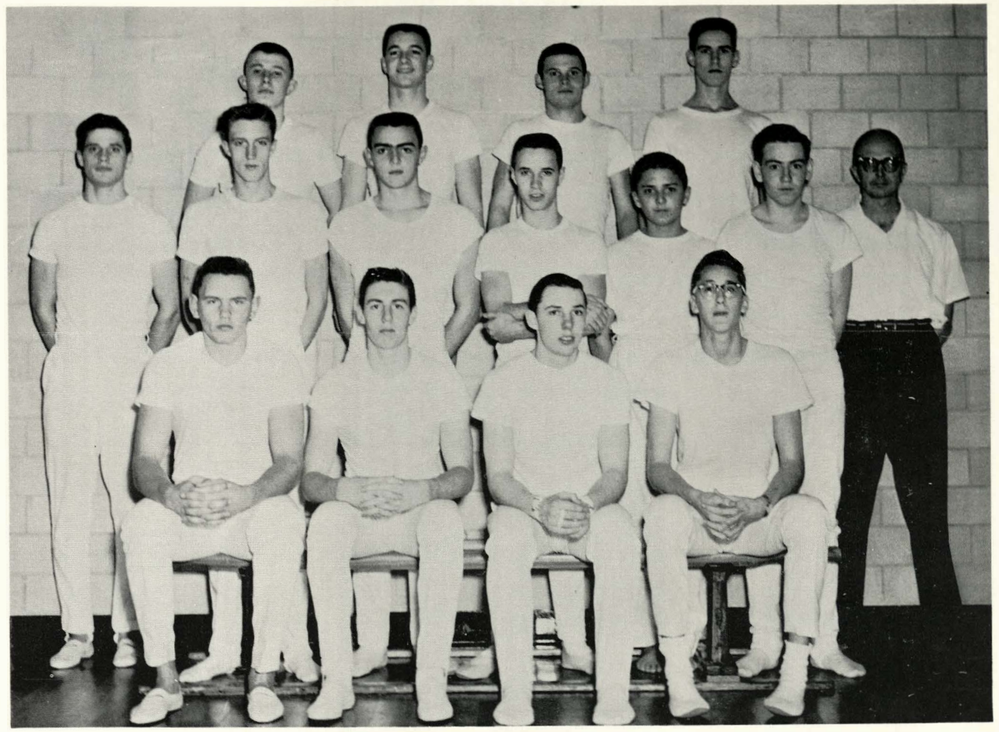
BACK ROW: Left to Right, Coach Upson, Mike McEvers, Gary Van Hooser, Larry Foster, Ron Schmidt, Byron Louden, Nick Matschavich, Mike Ruiz. FIRST ROW: Jim Winkler, Richard Edwards, Mike Doherty, Bob Wilhelm, Don Pearce, Ron Reuter.

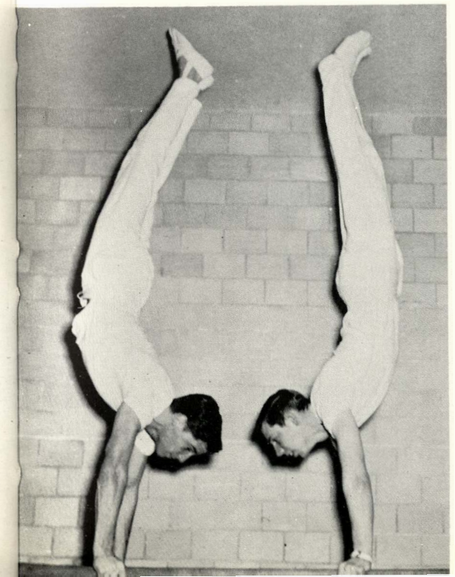
At the end of the 1960 tennis season Wyandotte had won four and lost eight matches. However, their doubles team of John Bishop and Neal Kabler took third in the regionals. This year Coach Don Upson will have Byron Loudon, Larry Foster, Mike Doherty, and Ron Reuter to aid in the team's success. We want to wish this year's team good luck and success.

Tumbling

by Kathleen Sheley



BACK ROW: Left to Right, Don Peterson, Wayne Prince, Jerry Sampel, Jack Carraher. SECOND ROW: Allen Vick-captain, John Rector, Jerry Kelly, Charles Vernon, Bill Hoyes, Larry Hawk, and Coach McHenry. FRONT ROW: Lynn Megee, Gilbert Hawk, Shelby Williams, and Kenny Taylor.



This has been the first year Wyandotte has sponsored tumbling meets. The boys practice several nights a week to get in shape for their opponents. The tumbling team exhibited their skills on mats, parallel bars, horizontal bars and in free exercises during basketball half time. They were under the expert supervision of Coach Orville McHenry. This year's captain was Allen Vick.

Baseball

by Nancy Mullinix and Dianne Karnaze

The Wyandotte Diamondmen, not to be outdone by the basketball team or track team, took a second place in the State Baseball Tournament last year. The Diamondmen sported a 7 won - 3 loss record going into the tournament.

Returning lettermen for Coach Ellis's squad this year will be Wayne Loving, Bob Purnell, Steve Renko, Bill Wendell, Don Leever, Tom Jones, and Warren Burnau. The outlook for this year's squad is encouraging.

Golf

by Paula Nelson

The Wyandotte golf team, under Coach Starbuck's guidance, will have only one returning letterman: Doug Haynes. Reserve lettermen returning are: Gary Broyles, Jon Carnier, Jim Powell, and Bob Stannard. Co-captains this year are Gary Broyles and Doug Haynes. Other members of the team are John Schwirtz, Roy Rawlings, Roger Rawlings, Rick Sereres, Ernest Lopez, Larry Latas, George Groneman, Ernie Yarnevich, James Wasko, and Jim Rose.

Since it is still early in the season, there have been no arrangements made for any matches. The team intends to play some matches with Sunflower League schools, Leavenworth, North Kansas City, and any other challengers.

The Regional Golf Tournament will be held at Leavenworth on May 12. The State Golf Tournament will be held at Topeka on May 19 and 20.

We wish the team continued good luck and success in the coming season.

LEFT TO RIGHT: Earnest Lopez, Larry Latas, John Swartz, Ernie Yarnevich, Doug Haynes, Roy Rawlings, James Wasko, Roger Rawlings, Gary Broyles, Jim Powell, Bob Standard, John Garnier, Coach Paul Starbuck.

National Honor Society

by Kathleen Sheley

"In all humility I pledge myself to be honorable, to serve, to lead aright, to uphold scholarship, and thus to keep alive the sacred flame." This is the vow of each initiate of the National Honor Society as he lights his candle from the sacred flame.

Scholarship, Leadership, Character, and Service are the outstanding requirements a student must meet before being accepted into the National Honor Society. From the upper third of the Senior Class fifteen per cent is chosen for membership.

Senior Class History

by Kathy Sheley

We're the Seniors
second to none,
We're the class
of '61.

Getting lost at Wyandotte seems to be traditional for Sophomores, and we weren't ones to break tradition. But soon we felt at home with our football games, clubs, and homework. Our main social activity was "Operation Snowball," the class party.

During our Junior year we made many plans for the future - the selection of our class ring, the passing of the robe assembly, and choosing Senior Class schedules. We were gradually being subjected to Senior responsibilities.

The teachers never "let up" on homework our Senior year, in fact, there was more! It was finally our turn to present the Senior Play, "Time Out For Ginger" which was hilarious. We leave behind us many State Championships, Christmas Formals, Homecoming Dances, Spring Formals, our last Art Club Ball, and of course, the Senior Prom!

As each minute passes, we are closer and closer to graduation. As each year passes, we become the men and women of America.

We stand at the door of the future
We are knocking for it to open new opportunities,
We the class of 1961 will seek until we find
love, faith, and confidence of all mankind.

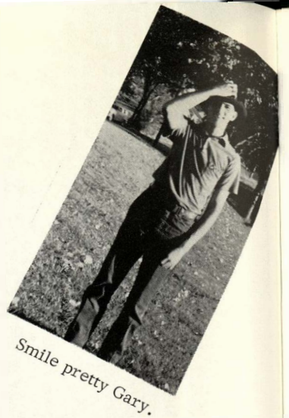
Senior Snaps

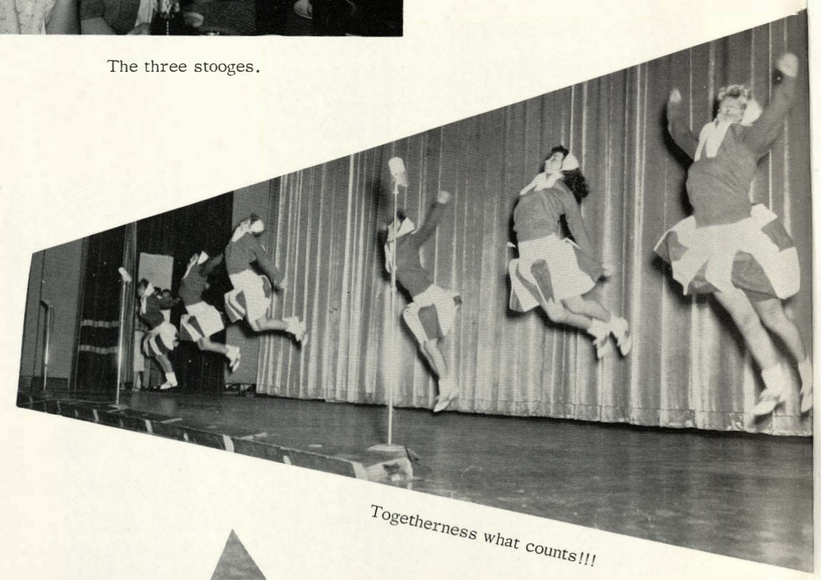
Lovely to look at!

The three stooges.



Smile pretty Gary.

I'm not knock-kneed!



Togetherness what counts!!!

I didn't do it!

Mutual admiration society.

Wishful thinking.

There she is, Miss America!
